Request for Proposals Engineering Services – Salt Sand Shed Design & Contract Administration

The Town of Lamoine seeks proposals from qualified engineers in regard to construction of a 1,500 to 2,500 cubic yard salt/sand storage facility. The town desires a Maine licensed professional engineer to perform the following tasks:

- Design a suitable storage facility
- Prepare and submit state and local permit applications
- Prepare, advertise and evaluate bid documents
- Provide oversight to construction.

Sealed RFP's stating qualifications, listing experience with similar projects, proof of liability insurance, and estimated costs are due no later than 4:00 PM on Thursday, April 5, 2007 to the Lamoine Board of Selectmen, attn: Salt/Sand Engineering, 606 Douglas Hwy, Lamoine, ME 04605. The Board of Selectmen will open and read aloud the RFP's in a public meeting that evening at 7:00 PM. The Board reserves the right to accept or reject any and all proposals. Questions regarding this project may be directed to Stu Marckoon, Administrative Assistant to the Selectmen, 667-2242 , 606 Douglas Hwy., Lamoine, ME 04605 or by e-mail to town@lamoine-me.gov.
